Exrom have been operating from Sittingbourne for over 10 years providing IT services to UK businesses. Quality is our priority, guaranteeing a professional but friendly service. We have a passion for IT but appreciate that not everyone is as enthusiastic as us. We will do the research so you don't have to. We pride ourselves on keeping abreast of technical developments to provide the best solution for your business.

flexible solutions for your business needs

SYSTEM SUPPORT

Responsive cost effective support from your local supplier. We can offer a call out service as well as scheduled maintenance contracts to fit your needs.

Hardware and software support for all platforms.

All of our work is guaranteed and we pride our selves on our friendly professional service.

SYSTEM DESIGN

Software, website, graphic, network, backup and security design, we can offer a complete solution.

A complete designed service, your design brought to life or anything in between. A flexible approach to meet your needs.
